GUIDELINES FOR CONFORMATION VERSATILITY JUDGING (VC only)

Versatility Conformation judging should be based on the present Standard which emphasizes the make and fit of all the parts and over-all balance. You are not attempting to determine whether the dog is of championship caliber in conformation but whether the specimen reflects the qualities of a pure-bred Irish Setter. A Versatility Pass should be withheld only if you would withhold a ribbon at a regular AKC Breed Show. Dogs will be presented in a condition that will allow for the adequate evaluation of coat, color, structure and movement. Three (3) passes under three (3) different judges are required.

The judging will be guided by the following scale of points:

- Head 20
- Body 20
- Running Gear 30
- Coat 5
- Size, Temperament, and
General Appearance 25
